

FACULTY OF
PHYSICAL EDUCATION AND HEALTH

University Of Toronto

June 2008

Dear First Year Student,

On behalf of the Physical and Health Education Undergraduate Association (PHEUA), we would like to welcome you to the PHE family at U of T! Although your high school experience has come to an end, we hope you are looking forward to this whole new and exciting chapter in your academic career. In addition to our outstanding undergraduate program, our Faculty is unique in that it offers a sense of community and spirit! It is our privilege and duty as the Undergraduate Student Council to introduce you to this community through our Orientation/Frosh Week.

“**PHE-LAWLESS 2008**” will give first year students opportunities to meet with professors and upper year students, familiarize themselves with student life and the University campus, and most importantly, have a great time! Prior to Frosh Week you will have the opportunity to meet your classmates at ODP. This helps to enhance Frosh Week because while frosh from different faculties/colleges are meeting their peers for the first time, YOU will be making stronger friendships and enjoying more memorable experiences. PHE frosh have a reputation to be the loudest and most spirited on campus, and we hope that you will join us and keep this tradition going and reputation alive!

Frosh Week runs from Tuesday September 2nd to Friday September 5th and involves athletic, academic and social events. A group of 26 Frosh Leaders and 7 student council members have organized a fun filled week, and they will also be responsible for the supervision and safety of all who attend. Attached is a tentative schedule of the week’s events. Please note that even if you do not participate in **PHE-LAWLESS 2008**, your attendance is required at Tuesday and Wednesday’s *mandatory* events.

Frosh Packages can be purchased with a cheque made payable to PHEUA. Your package grants you access to all events, various meals, and a frosh kit including two t-shirts and a ton of goodies. It can be purchased for \$110 until July 31st and for \$120 after this date. Cheques can be mailed directly to the address below or dropped off (in an envelope) at the Athletic Centre main office during office hours (Monday to Friday 8am-8pm, Saturday and Sunday 10am-5pm). As an upper year student I want to stress the importance of this week; the memories and friendships you make during this time are priceless!

The BPHE program at the Faculty of Physical Education and Health at the University of Toronto is one of the most exciting and invigorating programs in Canada. Come and be a part of this enthusiasm and kick off your start with PHE the right way with Orientation Week! If you have any questions about the week’s events, please contact Kayla Van Gerven at kayla.vangerven@utoronto.ca or call 416 710 6808.

Sincerely,

Peter Min
President PHEUA

Kayla Van Gerven
VP-Social PHEUA
