

NOMINATION INFORMATION

The University of Toronto Sports Hall of Fame is part of an ongoing effort to preserve and display the records relating to the outstanding University of Toronto athletic tradition. These projects are carried out under the authority of the Faculty of Physical Education and Health and with the assistance and financial support of the T-Holders' Association.

CATEGORIES FOR HALL OF FAME MEMBERS

Athletes must have represented the University of Toronto as a student-athlete and completed with distinction at the highest level of intercollegiate competition available at the time. Achievements in non-intercollegiate competition and/or other contributions to the University of Toronto athletics program would be considered as auxiliary factors. In addition to outstanding individual athletes, outstanding teams would be eligible for admission as a team (i.e. Grey Cup winners or 1928 Varsity Grads).

Builders must have made a significant contribution to the University of Toronto athletics program in a role other than that of a student-athlete.

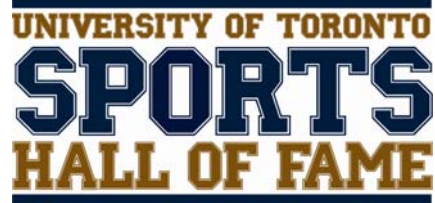

Team is defined as the unit of student-athletes that competed for the interuniversity championship trophy or banner at the time of participation (i.e. Bronze Baby in women's basketball or the Nelson C. Hart trophy in swimming).

SELECTION CRITERIA

Student Athletes must have represented the University of Toronto in some manner while a student. The major factor is the athlete's contribution to the Varsity program; achievements in other athletic areas (i.e. provincial, national and international competition) will also be considered. Normally, a minimum of 10 years absence from the Varsity program will be required prior to consideration. The same criteria apply to teams.

Builders must have been a member of the University of Toronto athletics staff, and/or University of Toronto faculty or administrative staff, and/or friend and supporter of University of Toronto athletics for a period of at least five years. Normally, nominees will not be considered for selection until 10 years after the initial appointment or commencement of service to the University of Toronto program. Contribution to the Varsity program is the major factor, but contribution to other athletic programs may also be considered.
